Nemesis may reach perihelion in 2024

"the Illuminati, the Controllers, the Cabal, whatever name you have for them – they believe that there is going to be ... "a geophysical event", a major geophysical event.

the reason for this whole Third World War scenario is that then the Western governments, with the Chinese out of the way, will be in a state of such totalitarian control of their own population that they will be best-equipped to recover and rebuild the "new world" after a cataclysm.

If they think that a "new world" needs to be rebuilt after a cataclysm, they want the Anglo-Saxons to be doing it. They don't want the Chinese to be doing it.

They get the Chinese out of the way first, and then the Anglo-Saxons will inherit this "new world," ...the Asian nations, the African nations, the South American nations presumably... won't have the resources to be able to handle the situation in any kind of a way ,,

Admiral George Hoover talked to researcher Bill Birnes, and Bill Birnes described this conversation with George Hoover to George Noory, from Coast to Coast AM.

They were talking about the Roswell visitors and Admiral George Hoover said that these visitors were us from the future. They were time-travelers; they weren't extraterrestrials.

"the biggest secret" really was... to do with the abilities and the power of the consciousness of these travelers. Because they were us from the future, what the military authorities had found out was what humans are really capable of.

if we knew how powerful we really were, how powerful we really could be, then we would cause chaos around us We could rearrange the reality around us in the way that we wanted to"

If there is a major event, they will have caused it. Huval Harari, asked, why do we need humans. I could ask the warped midget why do we need him or any others of the self appointed child abusing, people trafficking, Globalist vermin.

Its the Anglo-Saxons and other Caucasians that they want out the way. It is the parasitical non-race that the Bible warned us about that is the "seed of the woman" who would break the neck of Jacob of the Aryan Caucasian race. We know who trace their descent through the maternal line!
